

**RUTH CHAPTER NO. 8
AUGUST NEWSLETTER**

Dear Sisters and Brothers;

Brother Bob and I hope you have had an enjoyable and safe summer. We September fast approaching, I want to bring everyone up to speed. We will have initiation in October, please come out and welcome out new member.

July 25th, Sister Pat and I dropped off goodie bags to Sister Betty Klotz (Chester Chapter No. 121), The Spains and Brother Robert Hall (Manchester Chapter No. 53).

Then we were off to drop off bags to Sisters Doris Cannon, LaVerne Ramsey, Mildred Watson and had a wonderful lunch with Sister Mildred Privott at Westminster Canterbury.

Then we went and visited with Sister Mary and Brother Bob Hertless, then down to Chesterfield to see Sister Ann and Brother Clay Chaney and on our way back we stopped by Sister Barbara Stone's.

We hope our "Rays of Sunshine" enjoyed the visit half as much as Sister Pat and I enjoyed visiting. I have some great pictures I put on facebook, but could not get them on this newsletter. I will work on that for next time.

We will have Memorial in September for Sister Helen Tate and Brother Bob will speak on Rob Morris. Ladies please wear white.

Please let me know about any sickness and distress (804-399-8508). Brother Bob Hertless is having cataract surgery on August 12th, please keep him and his family in your prayers. Sister Mary is starting acupuncture to help stimulate feeling in her foot. Sister Barbara Stone is having a lot of pain from rheumatoid arthritis. Brother Richard Nochisaki recovering from shoulder surgery, Sister Myra's daughter had a riding accident today and is in Neuroscience ICU with a head injury after saddle slipping and falling off her horse. Please keep our members in your thoughts and prayers.
