October 9, 2017

Dear Associate Matron,

The time has come to order the Worthy Matron dress for our year in the East.

I have enclosed an order form for the dress that I've selected. The color is navy blue. I hope you like the dress, it is a new color and style, and is reasonably priced. Please note the deadline date of December 1, 2017.

If you decide to order the dress, I would be so glad to see you wear it for our Installation at Grand Chapter in Williamsburg on May 23, 2018 and at Official Visits during the 2018-2019 year. There is often a misunderstanding that you can wear this gown at your Installation in March, please wait and wear it for the first time in May.

If you will not be progressing to the East in your chapter, please forward this letter and order form to the **incoming** Worthy Matron and have someone let me know of the change, I appreciate your help so much.

We are going to have a great year and I am looking forward to working with you and your chapter.

Sincerely,

Kelly D. Hawker
